

Independent

Dependent

The number of people attending the potluck	The number of squares Marshall cuts the pizza into
The number of cookies they bake	The amount of money they will be able to raise
The number of meals you prepare	The number of people you will be able to serve
The number of orchestra members who go on tour	The number of hotel rooms they will need to reserve
The amount of strawberries you pick	The number of jars you will be able to fill with jam
The number of people in line ahead of you	The length of time you will need to wait
The duration of the concert	The number of songs performed
The number of students attending the dance	The number of pictures the photographer will take
The number of cucumbers you have	The number of pickles you can make
The number of visitors to your booth	The total amount of candy you will hand out
